## Council Approves Terms For Manager Unwin Votes "No"

The two high spots of the city council meeting Wednesday were a move to retain the city manager's contract for another year and a wage boost plus the motion to deny J. G. Hopkins' request for a package liquor store on Ave. E.

The motion also passed over a paid recreation director for the city and a proposal to set footed parking meters to merchants.

Without presenting a letter to the council, City Manager Clarence Robinson laid out the conditions under which he would remain in this city. He wanted a year's contract and a boost in salary to \$7,500.

Councilman Ingram moved and councilman Ellis made the second to retain Robinson on the manager's terms and give him a contract effect April 1. The motion was approved 4-1 with J. Marvin Unwin voting no. Robinson had not stipulated that the vote be unanimous. He said he was satisfied.

The council asked Unwin: Do you have a statement as to why you voted no in the motion to retain the manager?

Unwin caustically replied, (Continued on Page Four)

## MR. UNWIN IS WRONG!

Commissioner Unwin phoned the following statement to The Herald Thursday morning: "I did not support the motion to retain the manager. I was willing to enter into a six month contract but not one year."

This despite Mr. Unwin's statement to Dick, 45, at Wednesday night's meeting, "I'm giving you what you want."

No, Marvin, we do not always print what we "want."

We believe, Marvin, that even an educated Sunday School Superintendent is ill-advised to say things in a heat of argument that could be misconstrued. That's even so if a man substitutes sarcasm for sound argument and lacks information.

You're wrong, Marvin—and Oki so wrong!

## Army Store Bandit Flees In Daring Daylight Robbery

County and State police officers have joined the Belle Glade Police Department in searching for a negro male who seriously injured a shop keeper and robbed him of \$250 here Friday.

Chief Charles Goadett said Hyacinth Pearlman, proprietor of the Army Surplus Store, 123 S. Main St. received a customer who was in an 18 year old male early Friday morning shortly after the store had been opened.

Pearlman was expected to be there from Belle Glade Memorial Hospital late this week after observation. Pearlman suffered a blow to the base of the skull and was confined along with a broken leg.

He told police officers that a negro, described as about 5'9" tall, 160 lbs. of medium build, wearing khaki clothes and badly worn shoes, asked to obtain the services of a paid recreation director.

When Pearlman and the negro reached the back counter, the man was hit in the head and the robbery by the back entrance after taking approximately \$250 in cash from Pearlman's pocket.

A good set of fingerprints was obtained from a paper sack in which the cash had been carried. They were sent to Washington for FBI investigation; however, Pearlman failed to identify any prospects taking his hold-up man.

Bloodhounds from the Glades State Prison farm here were used to track the thief to a spot 75 feet from the store where the culprit had evidently driven away in an automobile.

## Legion Donates To Swimming Pool Fund

The Belle Glade swimming pool was dedicated Monday evening at a joint dinner meeting of the American Legion Post 20 and auxiliary when Commander Homer Brooks and auxiliary president Mrs. Ruth H. presented City Manager Clarence Robinson with a check for that amount.

The \$119 was the amount raised from the Legion's spa supper Feb. 14 which had been ear-marked for the pool fund.

Robinson spoke briefly to those gathered for the supper by saying that they could not be sure when the pool would be built soon. He was notified last week that the bonding company handling the \$200,000 recreation bond issue, Sullivan, Tolson and Co. of West Palm Beach, had agreed to market the bonds.

Final plans have not yet been drawn for the pool and adjacent buildings, said Brooks.

He said they were expected to be completed by April 1.

## Glades Pioneer C. E. Riedel Leaves Enviable Record Of Community "Firsts"

C. E. Riedel, age 76, was buried yesterday in Woodlawn Cemetery, Miami, after local funeral services of the Community Methodist Church.

In transferring residence from his native Cheesaning, Mich. to Okeelanta, in 1921 Mr. Riedel experienced the tribulations of the early farmers in the hills, his neighborhood including boating products to Lauderdale over the North New River Canal.

In 1925, as owner of the land where Belle Glade Townsite was to be built, Mr. Riedel platted the City and auctioned lots. Many of the original plots were retained by him and are still owned by his estate.

The business community on the banks of the Hillsboro was served by its first railroad to West Palm Beach, its first filling station, first hotel and first water and light plants, all directed by Mr. C. E. Riedel as a young man.

The first rock road into the community found Mr. Riedel among its proponents and boosters, the first railroad to the area came as a result of local support.

Mr. Riedel was a prominent member.

When will landowners and administrators in Belle Glade stop renting sub-standard apartments? A recent check of not a few apartments for rent disclosed that rat traps are passing for living quarters at out-of-reason rents. Time for someone to get off their big fat pocketbooks and fix up before there's an epidemic of the plague from all the filth.

**Tragedy:** During the Lions club show rehearsals, Betty (Oh, why did I do it), Tedder said someone snatched some loot from her pocket book. Oh, why did they do it?

Two more instances noted week concern: milk for 35¢ a quart in one Main St. bistro and near-rotten product being dumped on local grocers who pay cut-rate prices and sell for much profit to folks who can't make a trip to the nearby fields.

**Second tragedy:** Taxpayers money went down the drain when the National Guard cooks threw away enough steak for a banquet at a recent Company E training session.

**Overhead in a dentist office:** (Doc) "You'll have your teeth cleaned this week and be in good shape!" (Patient) "Heck, now my teeth won't be green for St. Patrick's Day!" Not even fluorine helps here.

**The last straw:** The local Jaycees are looking for a Model A to do duty for meetings, parades, conventions, etc. One member said, "It'll be real cool, man." Especially a convertible.

## Be A Winner In Chevrolet's Car Award Contest

Glades Chevrolet Co. of Belle Glade is participating in an independent, nationwide automobile contest offering prizes ranging from realistic child size models to two-car grand awards which include a futuristic 1956 Corvette sports car.

A total of 63 new cars and 86 pedal-operated children's models will be given away in the nationwide competition, which began March 1 and runs through April 15.

In addition to the growing trend toward two-car families, each of the three revolutionary grand awards will include a Corvette in addition to one of the 60 four-door 1956 Chevrolet Bel Airs.

Featuring an extra-tough lightweight plastic body in combination with a 225-horsepower V-8 engine, the low, long two-seater Corvette is revolutionized as the ultimate in automotive performance.

The child-size prizes, called "Little Corvettes," are striking replicas of the adult cars. They are outfitted with precision ball-bearing wheels, semi-pneumatic tires and two-speed transmissions which aid youngsters in pedaling up and down. Carpeting and upholstery have been devoted to the detail of the plastic body, polished grille and chrome trim.

Contest entry forms being distributed at the dealership are available to the public. The chassis of the familiar Chevrolet theme song, "See the U.S.A. in your Chevrolet." Entrants fill in the fourth line and return the forms to the dealership during one of the three 15-day periods of the

Tampa State Fair this year. Mrs. Litchfield selected as the most popular song to be published.

I had never been to Tampa before, and I was so excited I started to packing a week before I left.

We loaded on the bus, on Friday, Feb. 24, and I had packed myself a lunch, candy, potato chips, and cookies. Georgeann Mills and I got a seat on the bus, and I just sat there and ate at home. That bus! Oh! That bus. I mean to say I went all of 39½ MPH. And we were worried about getting a ticket for speed limit.

After we got to the party, we were all slightly nervous.

The winners will be announced and their cars delivered by the Chevrolet dealers in the area.

Judging, however, will be done by independent agency.

The three lines of the chorus to be completed are:

"Get that big car feel — get behind the wheel — get

""Till it's smooth, power, sales performance, too."

"When your drive is done, you'll want to order, one..."

The fourth line, judged on freshness and originality of thought, must rhyme with "too."

"The little cars, they're striking, they're striking, they're striking."
